Medical Facilities

Medical Facilities.

Students seeking education in today's hectic world is many times creates major or minor health issues of students. Proper medical care is improving student health and also consequently improving their academic performance. Usages of Ambulance The ambulances are equipped with required medicines, emergency kits and patient transport equipment and additionally carry life-saving equipment to take care of all kind of critical emergencies including accidents. We are using ambulance service as and when required , specially during intercollege sports activities.
