### **POs & PSOs Attainment Levels and Actions for improvement**

New Curriculum (J-Scheme) is implemented from academic year 2021-2022, while making the changes in the curriculum from I-scheme to J-scheme MSBTE has considered the feedback given by Faculty, students, Industry and Parents as per feedback Board has made following changes.

- 1) Sessional and Annual exam Pattern.
- 2) New electives Subject in 1<sup>st</sup> and 2<sup>nd</sup> year have been introduced.

Note: Above listed changes are made by the Board along with to improve the PO'S and PSO'S attainment level we have made some action plans.

1. For weaker students remedial lectures are arranged to improve their academic performance.
2. Site visits are arranged for students to understand practical situations and structural designs on site.
3. Social activities are arranged for students like environmental visits, blood donation camps, Swachhata Abhiyan. free enveloped distribution, free cloth bag distribution.
4. Students are encouraged to participate and arranged Various Competition like Model Making, Painting, Rangoli, Poster Presentation, debate, Mehdi, Rally about awareness,
5. Mentoring system is formed and implemented for students which gives good guidance toward academic also other challenges faced by students.
6. Mock interviews, group discussion are arranged for final year students which make them confident in placement drives.
7. Expert lectures are arranged to improve knowledge of students about the various technical and non-technical concepts.
8. YouTube channel is created and video lectures are uploaded for students which gives good study platform for them.
9. Various group activities and tasks are given to students to improve leading capacity and team management skills.
