Records of T & P career and guidance cells

- The Training and Placement Section of the SSJCOP provides all the facilities to the students for career guidance, training, placement and entrepreneurship.
- The Training & Placement Section has adequate infrastructure facilities for conducting mock personal interviews and a Seminar hall for holding seminars and talks by eminent personalities.
- The Training department arranges resource persons for providing professional and industrial training for the students.
- The Placement department contacts and meets various companies and industries for better campus recruitment.

Career Guidance, Training & Placement

SSJCOP campus is showered with peaceful, green and colourful gifts of Mother Nature. Our campus is well equipped with educational facilities to encourage the intellectual curiosity and innovation among its students. State of the art infrastructure comparable with the best provides spacious class rooms, auditorium, library, training and placement cell, internet facility and audio-visual aids to create healthy learning environment.

Objectives

- Identify the interest of the students to join industry or Higher education or Entrepreneur.
- Conduct bridge courses to reduce the gap between Industries expectations.
