E-Learning Portal

On our You tube channel, we have posted 692 videos covering a wide range of topics, including both theoretical subjects and practical applications. These videos are openly accessible to all students. Currently our channel has 652 subscribers.

Each video is accompanied by links of supplementary materials such as PowerPoint presentation, notes, and multiple-choice-questions (MCQs). Upon completing the MCQ questions, students receive an individual certificate.

Students can watch videos during their break times and utilize these resources for exam preparation. These videos offer a detailed explanation of each topic to ensure better understanding for students. They are designed to help students address their queries related to various subject topics.

The primary objective of this channel is to provide free and simplified study material to students, thereby enhancing their knowledge.

Channel :- @shivajiraosjondhlecollegeo442
