# **Mentor-Mentee Scheme Mentoring system**

- The institute developed well-defined mentor mentee scheme and is effectively implemented.
   The principal and academic in charge regulate the mentor mentee activity.
- The class teachers are appointed for first to final years. Class teacher is responsible for all the activities of the class.
- Mentor mentee scheme initiated by allotting 20 to 22 students to each faculty member who act as their guardian throughout the course of completion.

# **Objectives of Mentoring Program:**

- To interact with students about their needs, problems, difficulties and address them effectively.
- To mentor the students for participating in various technical, co-curricular and extracurricular events for their overall development.
- The mentor regularly observes the overall growth of student and provides guidance to advanced learners and slow learners.
- To provide the guidance to the students after the completion of course for placement, higher studies and entrepreneurship development.
